Cemetery Plot Price Schedule

The last increase in the purchase of a cemetery plot was in 2002. The cost for a cemetery plot is currently \$100.00 for a plot and \$100.00 for perpetual care.

The Unity Cemetery Committee recommends a cemetery plot schedule fee increase. The recommendation is as follows:

Lot = 4' x 12'	Lot – Resident:	\$200.00
	Lot – Veteran – Resident:	Waived
	Perpetual Care – Resident:	\$200.00
	<i>Plus, the cost of recording fees</i>	
Lot = 4' x 12'	Lot – Non-Resident:	\$400.00
	Lot – Veteran – Non-Resident:	Waived
	Perpetual Care – Non-Resident:	\$400.00
	<i>Plus, the cost of recording fees</i>	

A non-resident may be assigned up to four (4) plots in the town's cemeteries providing that the person fulfills one (1) of the following three requirements:

- 1) That person must have had their parent(s) or legal relative residing in the Town of Unity at the time of their birth.
- 2) That person must have relatives who are either living in the Town of Unity or who are buried in one of the Unity cemeteries.

Or

- 3) That person owns and has paid property taxes on real estate in the Town of Unity for a period of not less than five (5) years.
