

## How to address your concerns and ideas!

The Town of Unity is waiting to hear your voice in our community. Whether you have a concern, or an idea, we want to know how you would like to see the issue addressed! Please understand that if the request isn't in writing, the selectboard cannot address your concern or idea. Volunteers are needed. Please complete the attached form and let us know how you can help; or how we can improve the community. (social media is not an approved means of contact for your concerns and ideas)
