Dear Mr. Mouse,

Your sewer account with the Unity Utilities District is past due. Our records show that the last payment on your account was made on April 3, 2017. The total amount due as of the last billing date of July 1, 2017 was \$187.32.

The trustees of the District are willing to meet with you to discuss your account. A payment plan may be possible to bring your account current if you are not able to pay the account in full. Please call 505-0837 to set up a meeting with the trustees.

Please be aware that this is the last notice you will receive concerning your account. *If the account has not been paid in full, or payment arrangements made within 30 days of the date of this notice, we will turn your account over to an outside collection firm. Failure to abide by a payment agreement, if executed, will also result in your account being turned over to a collection firm.*

If you have any questions regarding your account, please contact the District at 505-0837.

Sincerely,  
Kevin Spigel
