- Penny spoke with Sherry Gray about the tax acquired property. Selectmen gave her until the end of February to pay. This will be her final chance.
- The Tax Memo to non-profits went out and the snow dusters have completed and returned their application.

New Business:

- Wayne Sumoi, not present, at some point would like to speak with the selectmen about RSU's weight in votes. Unity is a larger community than most is RSU 3 and should have more "weight" in the School Board votes.
- John Benda is interested in being a UARRC Rep. for the town of Unity. John has worked for recycling centers in NY and CT and wants to bring his ideas to help increase recycling in Maine. Penny made a motion to appoint John Benda as a UARRC Rep. for the town of Unity. Tony seconded and motion carried. John swears to an oath.

Other Business:

- Clerk will be attending Town Meeting and Election workshop on February 28, Tax Lien Workshop March 13th and Trio webinar on February 27th and will need to close the office for about an hour for the webinar.
- One of the 25mph signs the College installed has fallen over. If they fix the sign, Tony would like to oversee the project to make sure the post is going far enough in the ground.

- Moving forward, when committee members have a question for MMA, the member must bring the questions to the Selectmen or Admin. Assistant, who will then submit the questions to MMA. These questions must be in reference to the committee they are on.
