The ACO has gone over there in the AM and heard the dog bark, only barked for a minute, if less and was let back in. the Town of Unity will not hire a lawyer until the complainant can bring video evidence of the dog barking excessively for 10 minutes or more and multiple days in row. The ACO will not go and take the video or records for the complainant. The videos must be date and time stamped.
- Elwell Road was fixed, and within hours it was ruined by kids "playing." They were caught and reported. Ed Picard will go back and fix it.
- Selectmen signed pole permits.
- No interest this year in purchasing Harris web services.
- Will post notices looking for someone to plow the town office.
- Michael Berry keeps hitting barbwire with his weedwacker and wants to know if it okay to rip it up. Selectmen said it was find to get rid of the barbwire.
